“No man was ever born into this world with such a passionate love of liquor as myself. It isn’t just that I love liquor for the taste of it, I love the plop of whiskey into a glass.

I love it. I love to listen to it. I love to see the cream on a pint. I love the first, powerful violent impact of a glass of whiskey when I throw it back in me, and it hits the mark below. I chase it then with a pint, and that’s even more beautiful still.”
